

# SAIN (SERVICIOS AGRUPADOS INTEGRALES)

UnitedAg's and Superior's U.S./Mexico Border Medical Services Provider

UnitedAg partnered with SAIN (Servicios Agrupados Integrales) to provide an affordable, easy access health and dental network for UnitedAg health plan participants residing in or traveling to Mexico border cities. (All plans have Mexico coverage except HSA plans)

SAIN is a family owned business with years of experience and dedication offering the best medical services in the region. They have a panel of 160 doctors of all medical areas. Family medicine, specialists and dental services.

Their major focus is to provide patients with the best quality service at the lowest price. All of their network doctors have the highest certifications in the country and also international recognition in their area of expertise. Working with agribusiness for over 24 years, SAIN knows their patients' needs. Providing quality service at an affordable price is their top priority.

## Accessing Mexico Panel Benefits

**Step 1:** Once an employee and their dependent(s) have received coverage under UABT, they will then be able to access SAIN Medical Services.

**Step 2:** Employees will need to present a valid photo ID to the primary care doctor for coverage verification.

If an employee does not have a photo ID available, they can request an ID at SAIN: **Calle 2 #200, Local 7 y 8 entre Avenida y Callejon Felix Contreras.** (Please note, all patients will be seen by a primary care physician before being referred to any specialist.)

**Step 3:** Copay's will be based on the employees' medical plan. Applicable co-pays will be payable to the provider at the time services are rendered.

**Step 4:** To verify coverage in Mexico or need assistance in making appointments or scheduling a patient transfer, simply contact our Corona office at (800) 582-9766 or our Mexico Network Coordinator Oscar Garcia, at (760) 222-3809 or via E-mail: [ogarcia.mex@unitedag.org](mailto:ogarcia.mex@unitedag.org).
