

UnitedAg continues our partnership with FT Williams!

FT Williams has developed this 1094/1095 software solution through Wolters Kluwer and CCH Incorporated. FT Williams is offering all UnitedAg members a significant discount for their 1094/1095 Software for only an annual fee of \$435 for up to 10,000 employees. The 1094/1095 Software offers fast and easy form completion and instant online PDF delivery.

In addition, there is a fulfillment service available for employers who are interested. The fulfillment service includes mailing employee copies on the employer’s behalf and e-filing to the IRS. The pricing service is as follow:

Fulfillment Service Pricing

A la carte service	Service description	Price for 2021
To Employee only	For printing and mailing	\$0.61 per Employee plus Postage Cost
To IRS only	For E-Filing	\$0.81 per employee
To Employee & the IRS	For E-Filing and Printing/Mailing to each Employees	\$1.29 per Employee plus Postage Cost

Please note: if fulfillment service is selected, the fulfillment pricing is an additional cost to the annual fee for the software of \$435

UnitedAg will be providing our members with the data in the format that FT Williams uses to easily upload to their software. Our employers just need to complete the data file by entering the appropriate “offer and safe harbor” codes needed for the 1095C before loading the file onto the software.

Take advantage of the UnitedAg membership discount!

If you are interested in signing up for this special software offering for UnitedAg members, please return this form to Channy Lee at your earliest convenience so we can get you registered for the software and get you your 1094/1095 data timely.
