Teleconsultations

Teleconsultations with bilingual health care providers are now available for non-emergency related conditions by calling **877.877.7981**.

Agriculture's Most Trusted Health Care Provider

Our Wellness Centers are operated by our health care partner Elite Corporate Medical. Our health care professionals are dedicated to the well-being of UnitedAg members and the agricultural community. We offer basic outpatient services for the diagnosis and treatment of acute and episodic for disease management.

Why Choose Us?

Tailored to meet the needs of the agricultural community, our Wellness Centers provide short wait times and personalized care. Many of the services offered are available at \$0 co-pay with no deductible for most UnitedAg (UABT) health plans.

Schedule an Appointment

To schedule an appointment with a health care professional at a Wellness Center nearest you, call 877.877.7981 or visit unitedag.org/wellness.

What Services Do We Provide?

Medical Care

Some of the services provided include: minor illnesses, minor injuries, pediatrics, gynecology, vaccinations, lab & x-ray services and primary care services.

Health Coaching

We offer custom health and wellness programs like health coaching and nutritional counseling to help prevent or manage obesity, hypertension and diabetes. **To learn more about the wellness programs, call 877.877.7981.**

Teleconsult Appointments

The teleconsult service connects members with a bilingual health care provider to assist with non-emergency related conditions. Our service is available Monday through Friday from 7:30 am to 5:30 pm by appointment only.
