

AMBASSADOR PROGRAM

BECOME AN ADVOCATE FOR YOUR COMPANY

Join the UnitedAg Ambassador Program and become an influential force for positive change!

Our program is designed to empower health advocates like you to make a lasting impact on the well-being of your peers and the future of our organization.

By actively engaging in this program, participants play a vital role in driving meaningful change within the UnitedAg organization and health plan programs. Additionally, we offer valuable resources and unwavering support to employers who share our passion for preventative health. Our ultimate goal is to utilize boots-on-the-ground feedback to shape a healthier future.

REQUIREMENTS

- Ambassadors' employer must be a member of UnitedAg.
- Ambassadors should be an influential presence in their organization, not by title, but a person whose peers look for guidance or direction.
- Ambassadors should be able to commit to 5-6 virtual bi-monthly meetings and one in-person event.

BENEFITS

- Ability to generate preventive changes amongst peers
- Garner networking and leadership tools and practice
- Invitations to annual conferences and trainings
- Eligibility for prestigious annual awards
- Program recognition suitable for college applications or resumes
