

# Diabetes management, simplified

An advanced blood glucose meter and as many strips and lancets as you need, paid for by your employer.

**It's all in the meter and on the house.**

Personalized tips with each blood sugar check

Real-time support when you're out of range

Strip reordering right from your meter

Optional alerts to keep contacts in the loop

Send a Health Summary Report directly from your meter

Automatic uploads mean no more paper logbooks
