

THE BEST LEADERS ARE CONSTANT LEARNERS

THE MASTER PROGRAM

Leadership is an ongoing learning process. To lead others, one has to first lead oneself. As a leader, it is important to understand that you must always work on improving your skills. Building on the success of the 1st-year academy, we'll be offering "Master" classes for alumni to further develop and enhance their leadership styles.

The four in-person courses offer a unique and immersive learning experience, fostering growth and empowerment for continuous leadership growth. To learn more about the academy and the application process, please contact **Bridget Sanchez** at bsanchez@unitedag.org.
